

PATIENT PARTICIPATION GROUP MEETING

November 2024

Topic discussed	DETAILS / COMMENTS
1. PPG Meetings	a. Introduction from the Acting Manager b. Purpose of the PPG meetings – Thank you for signing up for our Patient Participation Group. I am the current Acting Manager at your surgery Morden Hall Medical Centre however still fairly new to the role. Though we have not yet managed to arrange a face to face meeting during the current term, I wanted to invite you to participate and share your views on how we could improve the NHS. The current plan for the NHS is to shift from analogue to digital, from hospital-based to community care, and from treating sickness to prevention. We'd very much appreciate if you could share your views on the national portal and we will be bringing up this topic in the upcoming meeting to discuss in group what steps, services our current patients would like to see occur and how they would benefit from these. https://change.nhs.uk/en-GB/projects/start-here Warm regards to you all.
